

Please find below a link to a two page letter, which we are hoping you will print and send to your elected representatives, councillors and TDs and indeed to senators who might be on your horizons. We hope that the letter speaks for itself, but we would like to get some feedback, and also an account of whom you sent this letter to, and if in fact you got a reply.

There are a number of critical things in the pipeline for the Public banking Forum of Ireland (PBFi), and hopefully for Ireland. We are planning a major event in early March, along with our German Public Banking experts. We need your help in getting this letter to all elected representatives, and even to some would-be elected people. The PBFi Website is www.RepublicirelandBank.com

The letter imparts certain information and asks some 5 questions. We are hoping to get letters to every elected representative, from people in their respective constituencies. This is an experiment, but it will also serve as a survey of sorts, but it may be critical in getting cross party political support for the plan to establish community/public banks across Ireland.

We suggest the following;

1. Write your address etc in hand writing, so as to personalise it.
2. Hand the letter to your rep's and if not post them.
3. Send the letter to each and all reps in your constituency.
4. Encourage likeminded people to do same.
5. Get back to us with feedback and a list of representatives to whom you have sent a letter.

Who are your local public representatives?

TD's:

To find details, Postal Address etc.

Open Oireachtas link below, click on your location on the map or enter your location at the bottom of the map. Or search using TD's name.

Oireachtas link <http://www.oireachtas.ie/members-hist/>

County Councillors:

One has to search each County. The list of councillors can be found their websites.

Search as follows: [www.\[county-name\]coco.ie](http://www.[county-name]coco.ie) eg. www.corkcoco.ie
