

# The Real Banking Inquiry

**Bailing out the self serving commercial banks destroyed this country.**

- €70bn bail-out, paid by us
- State pension fund pillaged by €21bn
- Debt to GDP: 2008 - 25%, 2014 - 123%
- National debt now €203bn
- €8bn per year interest on the debt
- Resulting, Austerity, Property Tax / Household charge, Water charges
- Essential Services in chaos
- Ireland now controlled by the EU & creditors

**Let's ensure we are never deceived and held to ransom in such a way again.**

**Help us introduce a Public Banking System to Ireland that works for the people.**

**Spread the word.**

**Support** The Public Banking Forum of Ireland and make **Public Banks a reality in Ireland.**
